My Revolution – Youth Participation

Międzynarodowy projekt „My Revolution – Youth Participation” ma na celu integrację młodzieży z Polski, Słowenii, Austrii i Włoch, zachęcenie młodzieży do zgłębienia zagadnień związanych z wolnością, demokracją, postawą obywatelską. Młodzież będzie mogła omówić aktualne tematy związane z ekologią i tematami społecznymi oraz przygotować postulaty zmian, które w postaci młodzieżowego manifestu będą przekazane pod koniec projektu w ręce europarlamentarzystów podczas spotkania w Brukseli.

Uczestnictwo w projekcie wybranych osób to:

- udział w Krajowej Konferencji Młodzieżowej w Krakowie (czerwiec)
- udział w I Międzynarodowej Konferencji Młodzieżowej w Wiedniu (wrzesień)
- udział w II Międzynarodowej Konferencji Młodzieżowej w Bolonii (wiosna 2024)
- spotkanie z europarlamentarzystami przy okrągłym stole w Brukseli (czerwiec 2024)

We organized three workshops. The first in a youth center, the second in a high school, the third was aimed at urban activists. Youth were 15-21 years old.

At the beginning, we discussed the photos and graphics from the presentation. They raised topics related to holistic thinking, social topics, tolerance and LGBT, ecology, climate. In the second part of the workshop, young people worked in groups on demands. We did it using the word cafe method.

Below are examples of graphics encouraging discussion. They referred to the Sustainable Development Goals. Some little tongue in cheek.

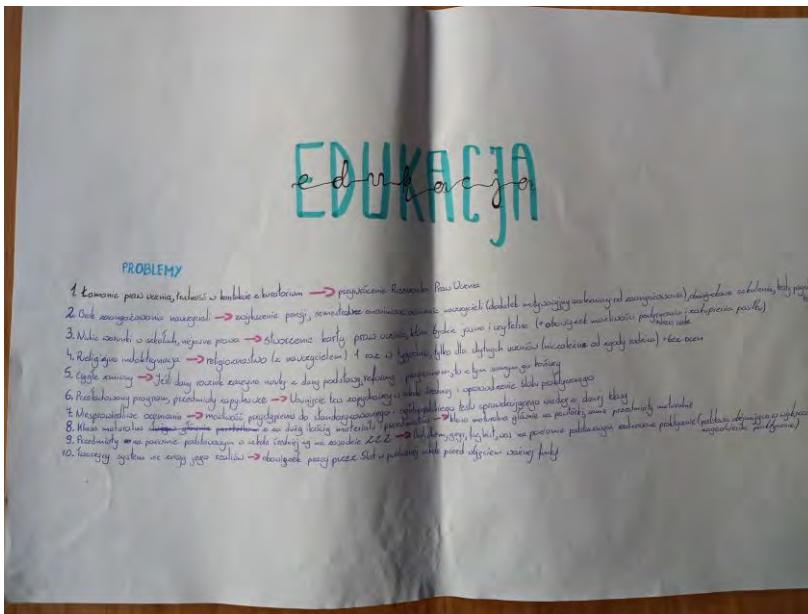

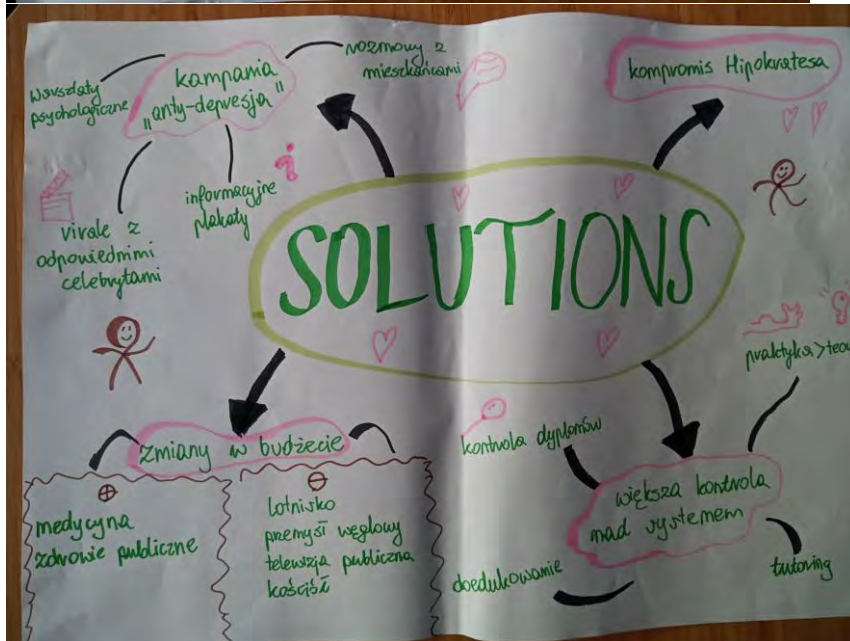

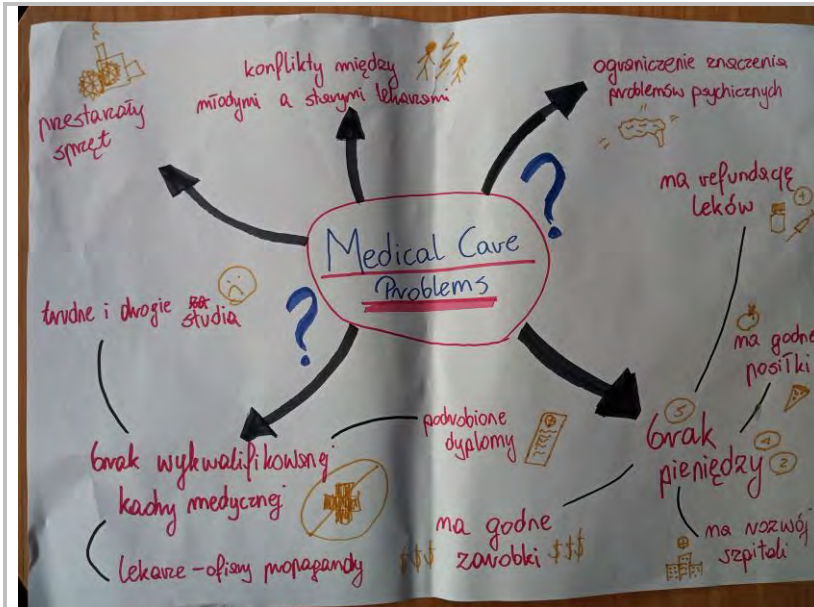

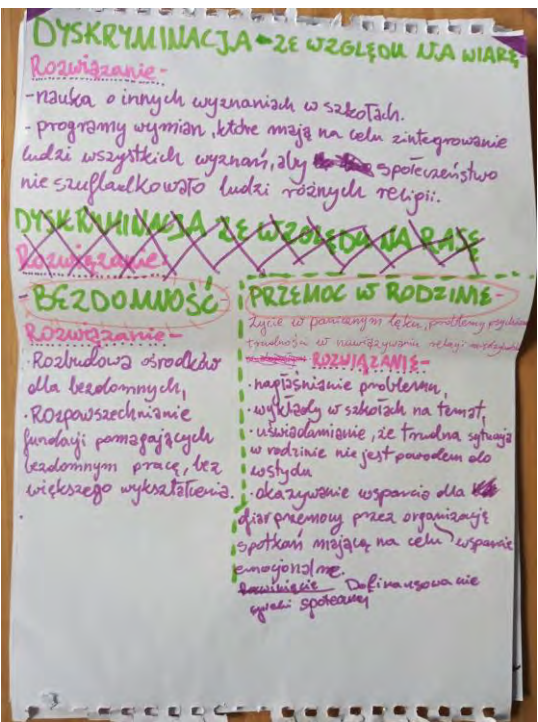

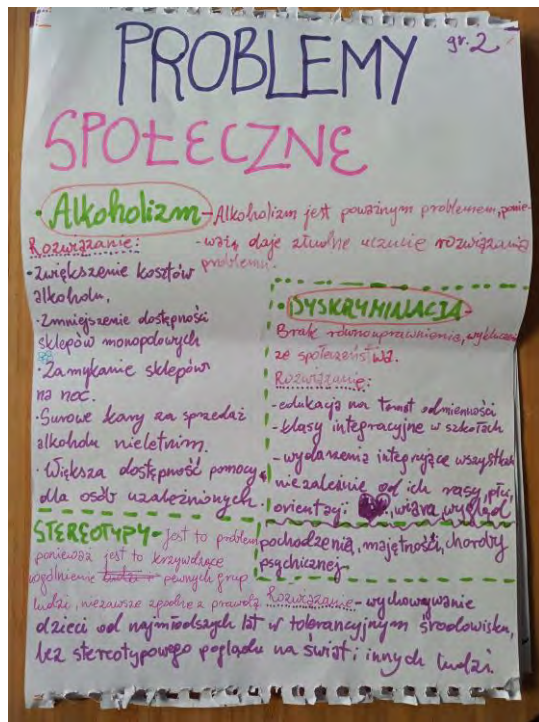

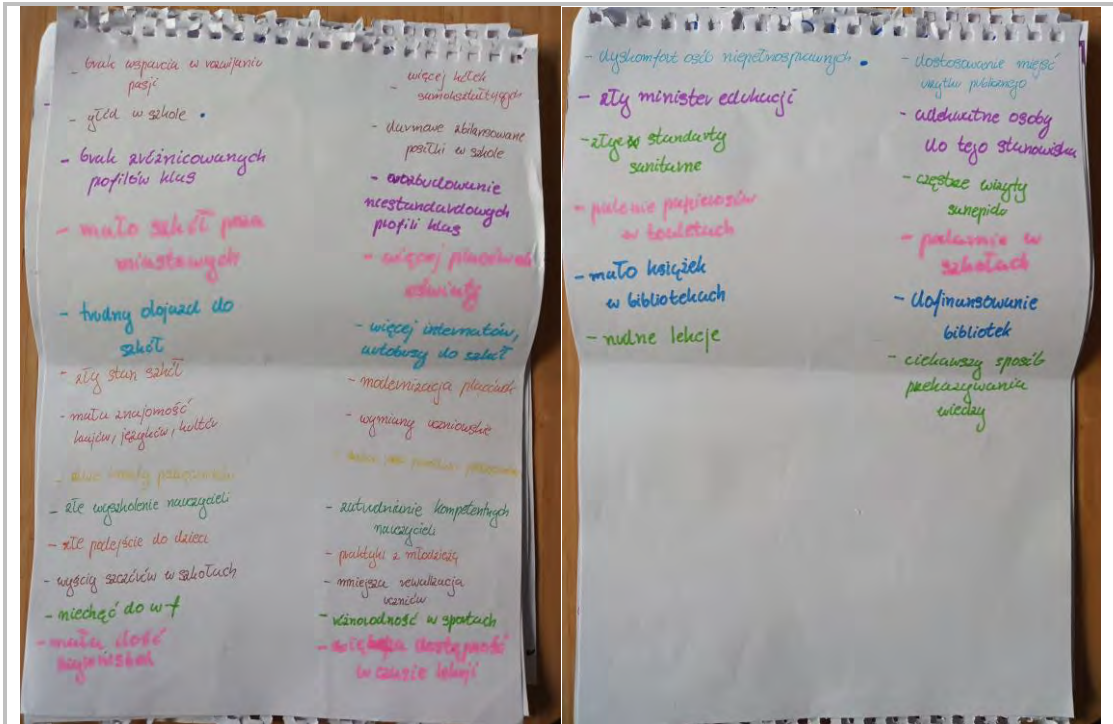

At the end, the young people presented the results of their work and we evaluated the workshop.

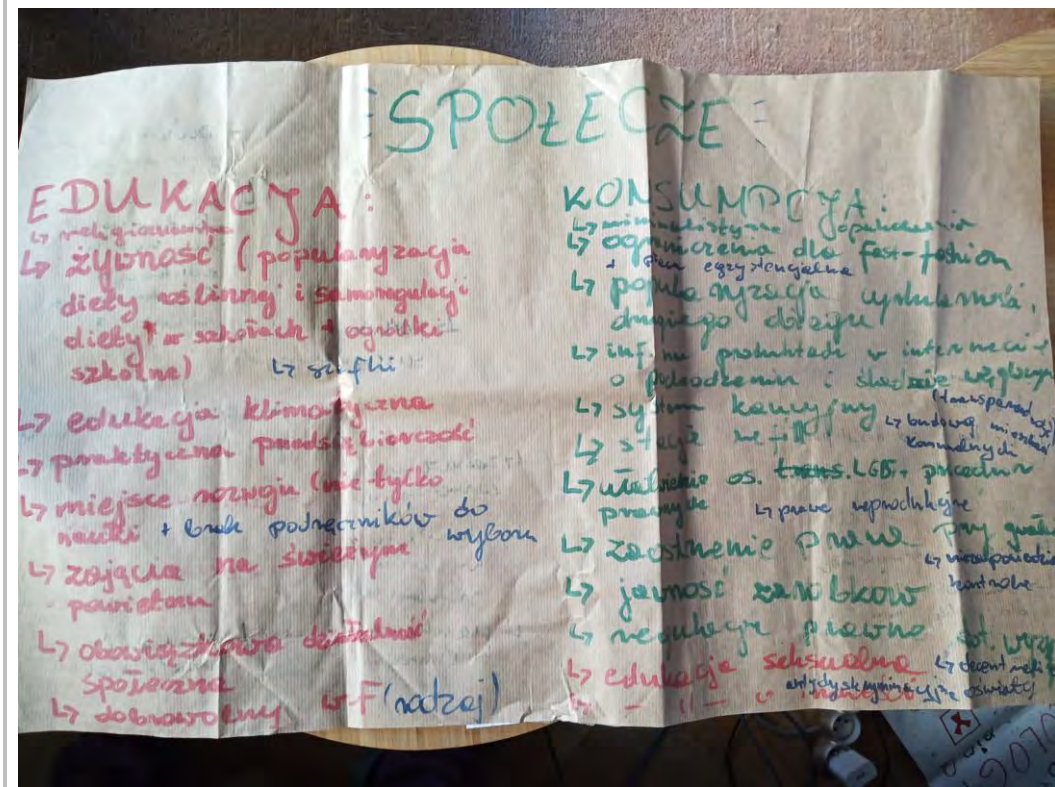

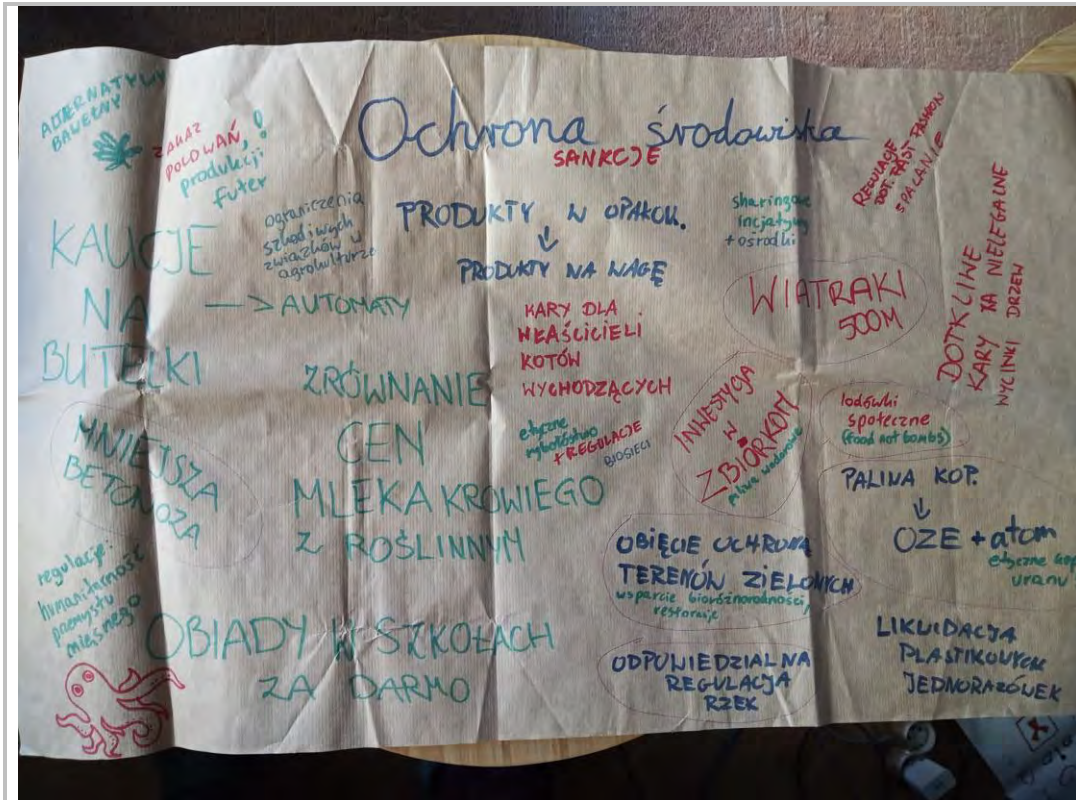

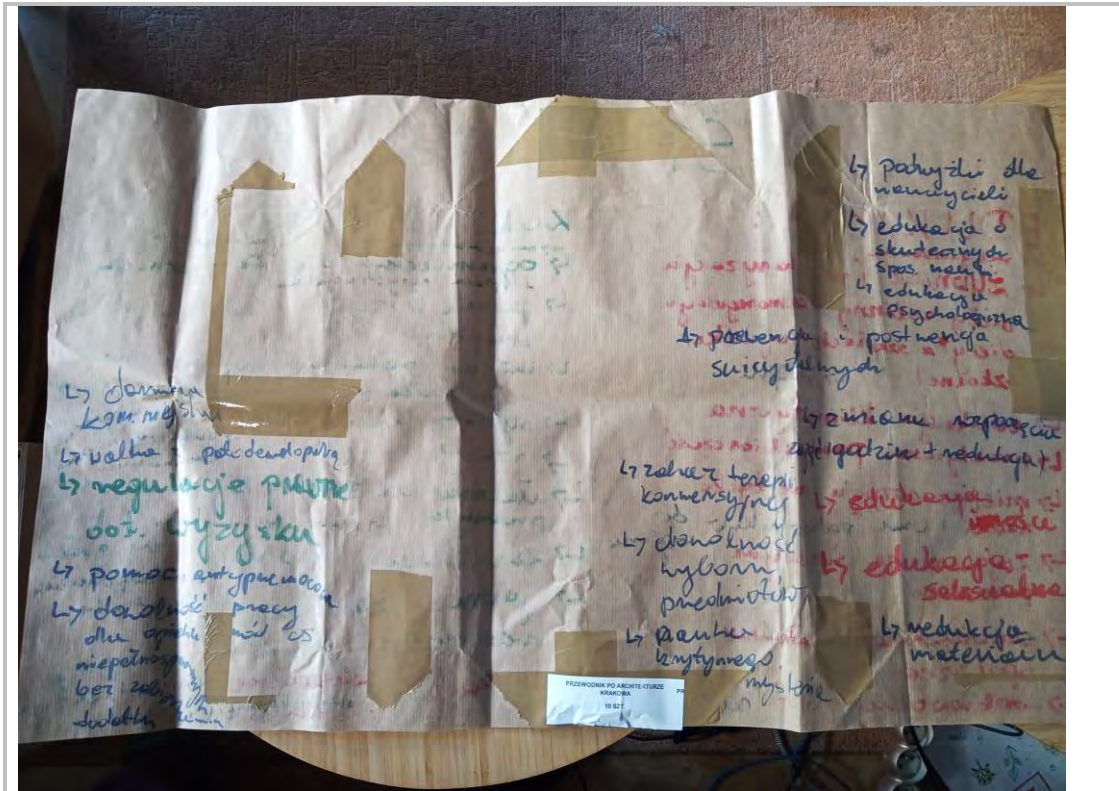

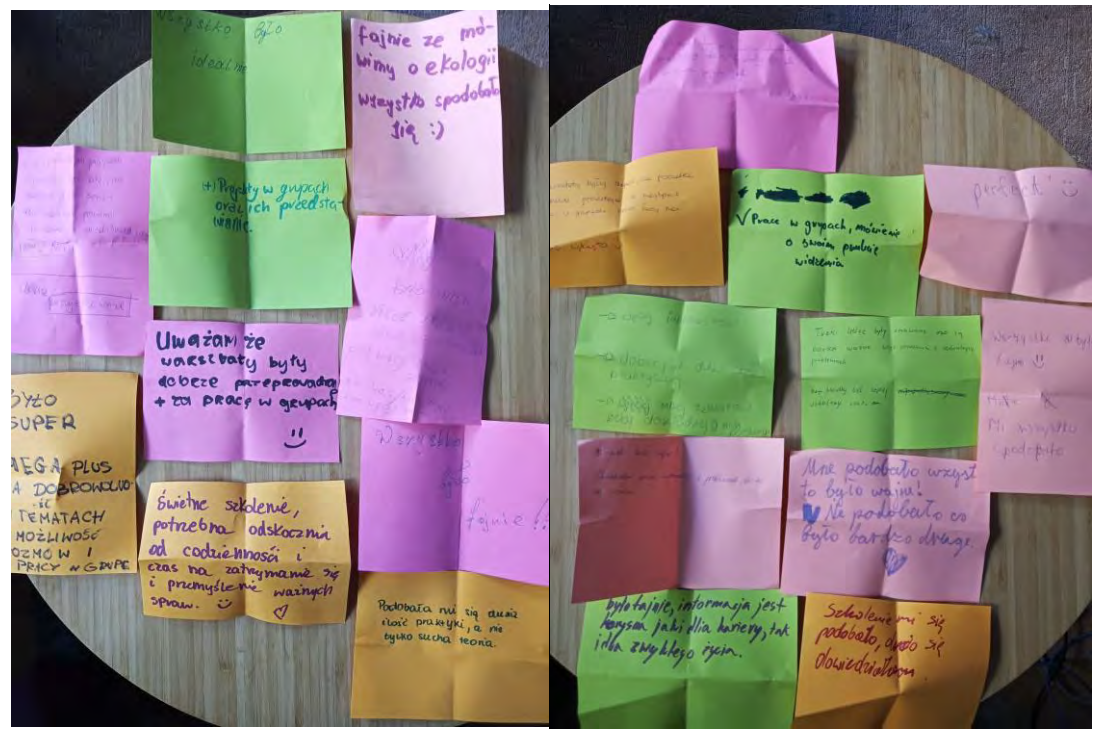

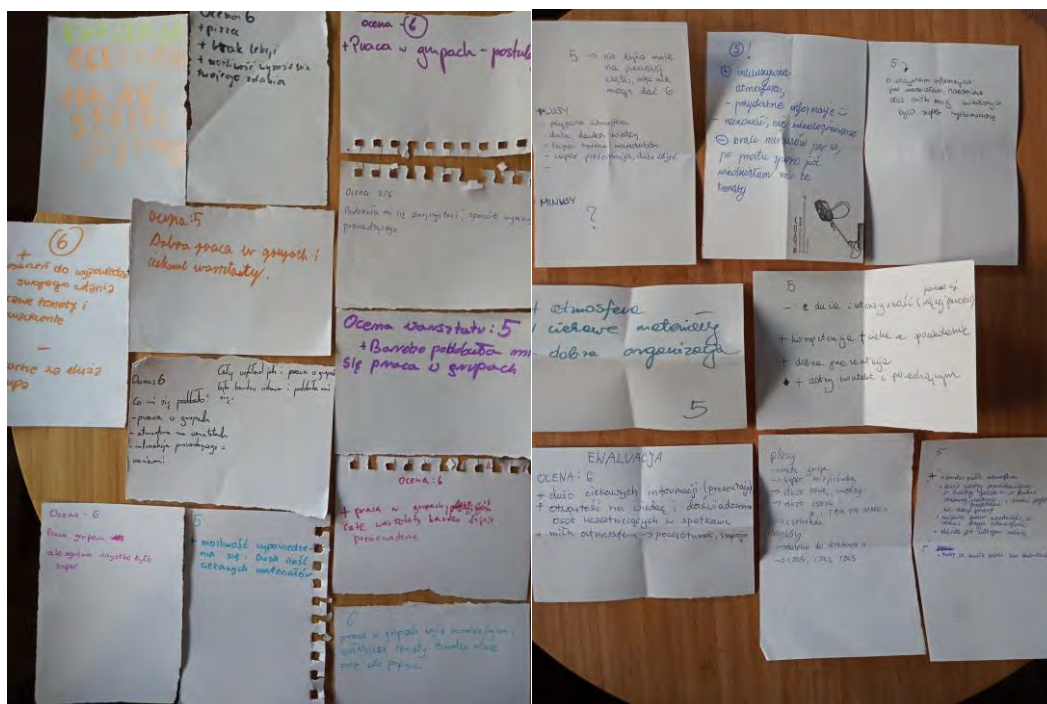

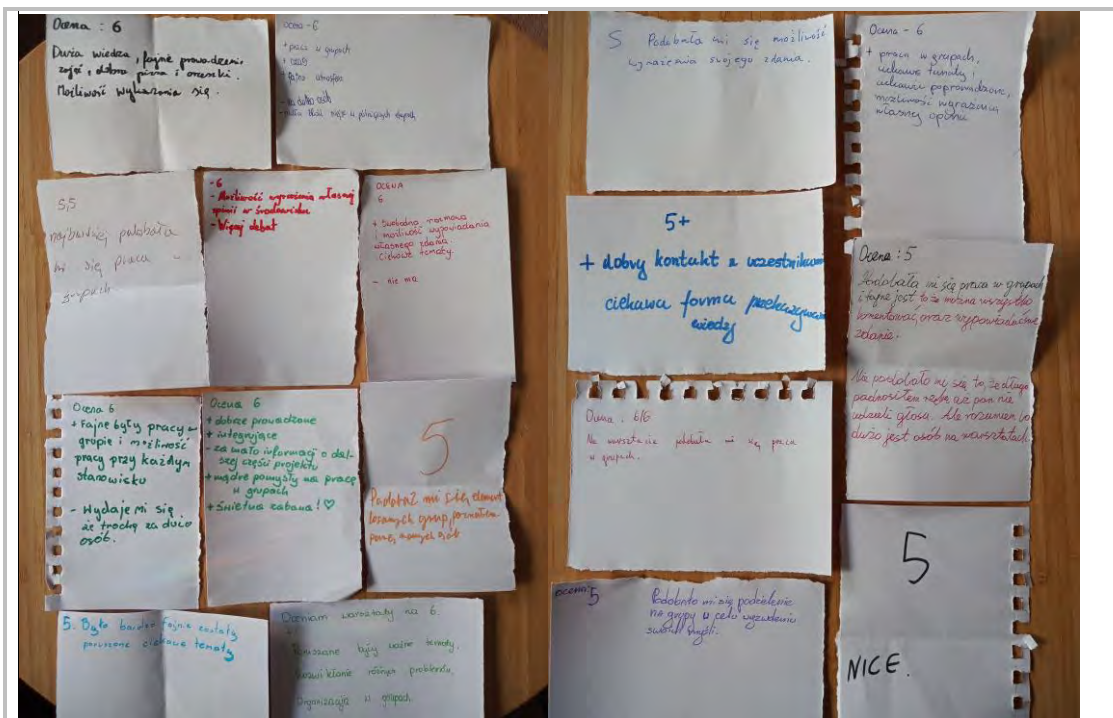

After the first workshop, the evaluation was free. Participants wrote down their feelings and opinions after the workshop. After two more workshops, the evaluation was done on small cards. Participants were to evaluate the workshop in general on a scale of 1 to 6 (quality of the workshop, substantive level, increase in awareness) and describe what they liked or disliked, what was missing.

The average rating for conducting the workshops on a scale of 1 to 6 is 5.5
