

ONLINE WORKSHOPS

on sustainability education

& creative storytelling

in early childhood education!

Co-funded by
the European Union

**Join our online workshops on sustainability education & creative storytelling
in early childhood education!**

Are you an Early Childhood Education and Care (ECEC) educator eager to
inspire creativity and sustainability in your classroom?

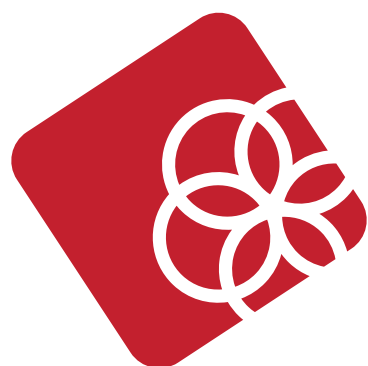

We are excited to invite you to a unique series of online workshops designed to
enhance your expertise in sustainability education and multimodal storytelling.

By joining us, you will:

Discover

practical ways
to foster
sustainability
education in your
classroom.

Learn

how to engage children
in contextualised,
creative storytelling
using multimodal and
digital approaches.

Connect

with fellow educators
across Europe, share
experiences, and expand
your professional
network.

Who is it for:

Early Childhood Education and Care (ECEC) educators:

kindergarten and pre-school teachers, facilitators, and other professionals
working with children aged 3-6.

Education practitioners and trainers:

individuals interested in incorporating sustainability education and story-telling
methodologies into their teaching.
